

Therapeutics North East – upcoming launch

Professor Neil Watson
Director of Pharmacy, Newcastle Hospitals
Director, Northern Alliance ATTC

What are we trying to achieve?

- Single front door to access Diagnostics North East
- Early point of discussion
- Real world evidence – Evidence for adoption
- Clear understanding of the product placement with a well developed adoption package
- Ultimately a stamp of approval – This product has been independently evaluated and is ready for adoption by the NHS

Advanced Therapies Treatment Centre

Northern Alliance Advanced Therapies Treatment Centre

The Northern Alliance Advanced Therapy Treatment Centre (NAATTC), formally established in March 2018, is a consortium of twenty industry, NHS and academic organisations led by Newcastle Hospitals and the Scottish National Blood Transfusion Service (SNBTS). The purpose of the centre is to develop the systems and infrastructure required to support the delivery of cell and gene therapies with the ultimate aim of increasing patient access to advanced therapy medicinal products (ATMPs) on a national level.
