

Is my resident unwell?

Have you noticed any of the following?

	Are they becoming restless or agitated?		Are they more confused or drowsy?
	Are they flushed, sweating hot or cold, or clammy?		Do they have cold hands or feet?
	Are they more or less mobile than usual, or unsteady?		Are they feeling sick, or being sick?
	Is there new, or worrying, pain?		Are they off their food or drinking less fluid?
	Are there changes in skin colour or condition?		Any changes in urine colour or smell?
	Are they short of breath or breathing harder than usual?		Any changes in bowel habits?

Are you worried enough to want a review?

If so, use the 'Is my resident unwell?'

communication tool to pass on your concerns.
