

THE

ANTIBIOTIC CAFE

RAISING AWARENESS OF AMS IN CLINICALLY FUTILE SCENARIOS

WHY?

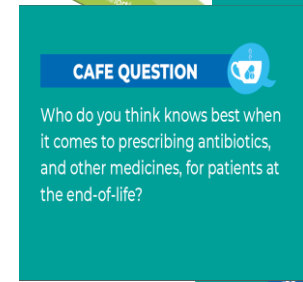

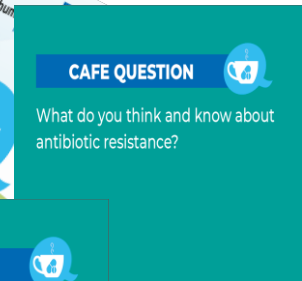

WORLD CAFÉ METHODOLOGY

- 🗣️ Set context
- 🗣️ Create hospitable space
- 🗣️ Explore questions that matter
- 🗣️ Encourage everyone's contribution
- 🗣️ Connect diverse perspectives
- 🗣️ Listen for patterns and insights
- 🗣️ Share collective discoveries

RESULTS

- 🗣️ 123 attendees across the MDT
- 🗣️ Positive feedback with self-reported behaviour change
- 🗣️ 5 key themes identified through thematic analysis

1	Relaxed, inclusive discussion
2	Good mix of professions and experience
3	Prompted reflection and debate on decisions around end of life care
4	Rotating tables was a good way to invigorate discussions
5	Refreshments
