Routes into research

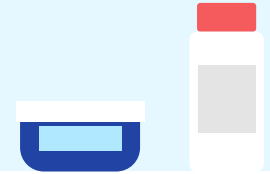

Research Pathways

- QI or Service Evaluation
- Research sites – CRN
- MSc
 - Clinical Diploma
 - ACP
 - MRes
- PhD
 - Standard PhD (FT/PT)
 - PhD by Publication
 - Professional Doctorates

NIHR RESEARCH CAREER PATHWAYS	PRE-DOCTORAL	DOCTORAL	POST-DOCTORAL (EARLY)	POST-DOCTORAL (SENIOR)	CHAIR
Research Training Schemes for all	Pre-doctoral Fellowship	Doctoral Fellowship	Advanced Fellowship Development & Skills Enhancement Award		Research Professorship
Research Training Schemes for practitioner academics health & social care professionals	HEE/NIHR Pre-doctoral Clinical and Practitioner Academic Fellowship NIHR Pre-doctoral Local Authority Fellowship	HEE/NIHR Doctoral Clinical and Practitioner Academic Fellowship NIHR Doctoral Local Authority Fellowship	HEE/NIHR Advanced Clinical and Practitioner Academic Fellowship		
Research Training Schemes for clinical academics doctors and dentists	In-Practice Fellowship Academic Clinical Fellowship		Clinical Lectureship		
Additional Opportunities	Biomedical Research Centres • Applied Research Collaborations Patient Safety Translational Research Centres • NIHR Schools • Health Protection Research Units				

Funding Routes

- Funded studentships
- Small grants (e.g. PRUK)
- NIHR ARC NENC / FUSE
- Project grants
 - Co-applicant
 - Co-principal investigator
 - Stakeholder group

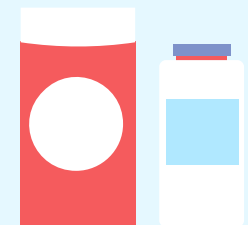

**What does health
inequalities research
mean to you?**

Have you recently been part of a QI or research project?

How could this work be done differently to integrate a focus on inequality?

How can our research address inequalities?

Consider...

Design and delivery

What barriers may exist?
(How can we overcome these?)

What can pharmacy offer?

Thank you
