Safety, systems and support – planning for PSIRF together

System Safety

Total of 165 delegates:

Durham 72
Leeds 47
Teams 46

69% of respondents rated the presentations and relevance to PSIRF as excellent or good.

89% of respondents said the workshops gave them an excellent or adequate opportunity to network with colleagues.

91% of respondents said the workshops gave them an excellent or adequate opportunity to learn from colleagues and share experiences.

In Durham, 25 organisations were represented:
11 NHS Trusts,
9 Independent Providers
NENC ICB, NECS, NHSE NEY,
NHSE Patient Safety & AHSN

Nearly 53% of respondents wanted more information on what support was available regionally and nationally.

Over 55% of respondents wanted more information to help them identify the next steps for PSIRF implementation within their organisation.
