Let's Unite Digitally!

How to transform hopes into action on digital inclusion ☺

- Try our free planner tool

- Take our free taster course

- Check out our free technology guides

- Use our Inspire course to raise awareness

- Join the Digital Champions Network

- Talk to us about tailored content and consultancy options

Free planning tool

A goal without a plan is just a wish! Our free planning tool makes the difference.

- Clarifies your goals and audiences.

- Helps you consider specific needs and priorities.

- Enables you to work out how ready you are to get started.

- There are no strings attached and at the end, you get a free tailored report with recommendations and a free, practical guide on running a Digital Champions project.

Free course

- 'Helping Others Stay Safe Online' is one of our most popular courses.

- Like all our e-learning courses, it's in a bite-size format and is interactive, with case studies and exercises to test your learning and a set of course notes.

- It is CPD certified.

- Gives an insight into the courses on the Digital Champions Network.

- We won't use your details to contact you without your consent or pass them onto anyone else.

Free Technology Guides

Our award-winning range of 400+ how-to guides covers a whole host of digital topics. These guides are perfect for supporting others with digital skills or improving your own knowledge.

We offer a free service for you to use these guides on your own website.

Health examples include …

✓ Where to find reliable health information online

✓ Getting started with the NHS App

✓ Tips for keeping your NHS online patient data safe
