

## Great North Pharmacy Research Collaborative Conference 2024

### Open Call Poster Submission

Poster No	
54	<p><b>Name:</b> Moira Willows <b>Organisation:</b> Bankhouse Surgery <b>Email:</b> moira.willows@nhs.net</p> <p><b>Project Title</b> Pharmacist-led intervention for lipid-lowering optimisation of secondary prevention patients in primary care</p>
55	<p><b>Name:</b> Ross Henderson <b>Organisation:</b> County Durham and Darlington NHS Foundation Trust <b>Email:</b> ross.henderson1@nhs.net</p> <p><b>Project Title</b> Self-administration of medications on a postnatal ward – a pilot</p>
56	<p><b>Name:</b> Christine Fyfe <b>Organisation:</b> Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust <b>Email:</b> christine.fyfe1@cntw.nhs.uk</p> <p><b>Project Title</b> A review of the use of Promethazine within inpatient Within inpatient Tier 4 Children and Young Persons' (CYPS) wards at Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust</p>
57	<p><b>Name:</b> Steven Allen, Martina Khundakar <b>Organisation:</b> Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust <b>Email:</b> steven.allen@cntw.nhs.uk</p> <p><b>Project Title</b> Amantadine - Co-production of a new medication information leaflet for patients and carers</p>
58	<p><b>Name:</b> Steven Allen, Martina Khundakar <b>Organisation:</b> Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust <b>Email:</b> steven.allen@cntw.nhs.uk</p> <p><b>Project Title</b> An audit evaluating the quality of Botulinum Toxin prescribing and administration within Neurorehabilitation Outpatients, Walkergate Park Hospital</p>
59	<p><b>Name:</b> Peter Pinkney-Clarke <b>Organisation:</b> Cumbria, Northumberland, Tyne and Wear NHS Foundation Trust <b>Email:</b> peter.pinkney-clarke@cntw.nhs.uk</p> <p><b>Project Title</b> An audit of the Shared Decision Making process of initiating regular psychotropic medication on an adult acute mental health ward</p>

Poster No	
60	<p><b>Name:</b> Sarah Browbank  <b>Organisation:</b> Gateshead Health NHS Foundation trust  <b>Email:</b> s.browbank@nhs.net</p> <p><b>Project Title</b>  Improving prescribing using bite size teaching on an acute medical unit</p>
61	<p><b>Name:</b> Libby Moffatt  <b>Organisation:</b> Gateshead Health NHS Foundation trust  <b>Email:</b> liberty.moffatt@nhs.net</p> <p><b>Project Title</b>  Are we using Procalcitonin effectively in managing respiratory infection?</p>
62	<p><b>Name:</b> Polly Cranmer  <b>Organisation:</b> Gateshead Health NHS Foundation Trust  <b>Email:</b> polly.cranmer@nhs.net</p> <p><b>Project Title</b>  Identifying barriers to a safe and effective medicines administration round using observation of work and the systems engineering initiative for patient safety (SEIPS)</p>
63	<p><b>Name:</b> Taylor Sutton  <b>Organisation:</b> Gateshead Health NHS Foundation Trust  <b>Email:</b> taylor.sutton@nhs.net</p> <p><b>Project Title</b>  The Role Of The Prescribing Technical Services Pharmacist</p>
64	<p><b>Name:</b> Alan Baird-Smith  <b>Organisation:</b> Gateshead Health NHS Trust  <b>Email:</b> alan.baird-smith@nhs.net</p> <p><b>Project Title</b>  Using data to improve adherence to the 30minute administration target for Parkinson's medication</p>
65	<p><b>Name:</b> Tracy Marshall  <b>Organisation:</b> Health Innovation NENC  <b>Email:</b> tracy.marshall@healthinnovationnenc.org.uk</p> <p><b>Project Title</b>  Healthy Heart Check Sessions to Black-African, South Asian and the Indigenous Underserved White Women Population Groups in Middlesbrough</p>

Poster No	
66	<p><b>Name:</b> Victoria Strassheim  <b>Organisation:</b> Health Innovation NENC  <b>Email:</b> victoria.strassheim@healthinnovationnenc.org.uk</p> <p><b>Project Title</b>  Evaluation of the First Contact Practitioner (FCP) Opioid Awareness Video</p>
67	<p><b>Name:</b> Kayleigh Davison  <b>Organisation:</b> Horden Group Practice  <b>Email:</b> Kayleigh.davison@nhs.net</p> <p><b>Project Title</b>  Improving the management of patients suspected to have a UTI in care homes: A multisector educational intervention</p>
68	<p><b>Name:</b> Kayleigh Davison  <b>Organisation:</b> Horden Group Practice - Easington Central PCN  <b>Email:</b> kayleigh.davison@nhs.net</p> <p><b>Project Title</b>  Sustainability in General Practice: Improving Health Outcomes through more sustainable prescribing a system wide PCN level Intervention</p>
69	<p><b>Name:</b> Sameer Khan  <b>Organisation:</b> Newcastle University  <b>Email:</b> s.a.khan@newcastle.ac.uk</p> <p><b>Project Title</b>  SULFASALAZINE OR SULFADIAZINE? USING OPEN DATA TO IMPROVE MEDICINES SAFETY; A FEASIBILITY STUDY</p>
70	<p><b>Name:</b> Hannah Porter  <b>Organisation:</b> Newcastle University  <b>Email:</b> hannahporter11@hotmail.co.uk</p> <p><b>Project Title</b>  The benefits of pre- and rehabilitation physical activity for patients undergoing breast cancer surgery. Can modern technology play a role in implementing and tracking exercise?</p>
71	<p><b>Name:</b> Yara Zain  <b>Organisation:</b> Newcastle University  <b>Email:</b> Yara_zain@hotmail.com</p> <p><b>Project Title</b>  The use of machine learning models to predict unplanned hospital readmissions in multi-morbid patients: A Systematic Review</p>

Poster No	
72	<p><b>Name:</b>Chike Emmanuel Chukwudolue  <b>Organisation:</b> Newcastle University  <b>Email:</b> emma.chukwudolue@gmail.com</p> <p><b>Project Title</b>  Designing the Ideal Anatomy Lesson: Exploring University Students' Perspectives on Optimal Teaching Methods</p>
73	<p><b>Name:</b> Sarah Wilson  <b>Organisation:</b> Newcastle University  <b>Email:</b> sarah.wilson@newcastle.ac.uk</p> <p><b>Project Title</b>  The CLEARs framework: a scoping review of groups at risk of digital exclusion with consideration for intersectionality</p>
74	<p><b>Name:</b> Sarah Wilson  <b>Organisation:</b> Newcastle University  <b>Email:</b> sarah.wilson@newcastle.ac.uk</p> <p><b>Project Title</b>  Users' perspectives on using wearable technology for the early detection of dementia causing diseases</p>
75	<p><b>Name:</b> Sarah Wilson  <b>Organisation:</b> Newcastle University  <b>Email:</b> sarah.wilson@newcastle.ac.uk</p> <p><b>Project Title</b>  The impact of outdoor air pollution on brain health: a systematic review</p>
76	<p><b>Name:</b> Helen Young  <b>Organisation:</b> Newcastle upon Tyne Hospitals NHS Foundation Trust  <b>Email:</b> helen.young4@nhs.net</p> <p><b>Project Title</b>  A cross-sectional survey of perspective, knowledge and experience of perimenopause and menopause in a Pharmacy department at a large teaching hospital in the Northeast of England</p>
77	<p><b>Name:</b> Michael Bunnell  <b>Organisation:</b> Newcastle upon Tyne Hospitals NHS Foundation Trust  <b>Email:</b> michael.bunnell@nhs.net</p> <p><b>Project Title</b>  Reducing ciclosporin therapeutic drug monitoring without negative clinical consequences in paediatric bone marrow transplant</p>

Poster No	
78	<p><b>Name:</b> Raya Vinogradov  <b>Organisation:</b> Newcastle upon Tyne Hospitals NHS Foundation Trust  <b>Email:</b> raya.vinogradov@newcastle.ac.uk</p> <p><b>Project Title</b>  Adherence to prophylactic aspirin in pregnancy: a co-produced systematic review and meta-synthesis of qualitative evidence.</p>
79	<p><b>Name:</b> Judith Pearson  <b>Organisation:</b> Newcastle upon Tyne Hospitals NHS Foundation Trust  <b>Email:</b> Judith.pearson11@nhs.net</p> <p><b>Project Title</b>  A multidisciplinary team approach to tackle anti-cholinergic burden.</p>
80	<p><b>Name:</b> Tanya Miah  <b>Organisation:</b> Newcastle upon Tyne Hospitals NHS Foundation Trust  <b>Email:</b> tanya.miah@nhs.net</p> <p><b>Project Title</b>  Managing and prescribing HRT within Primary Care: Evaluating the role of Pharmacy Professionals within the NuTH PCN Pharmacy Team</p>
81	<p><b>Name:</b> Emma Groves  <b>Organisation:</b> NHS North East and Yorkshire Genomic Medicine Service  <b>Email:</b> emma.groves3@nhs.net</p> <p><b>Project Title</b>  Aminoglycosides: increased risk of deafness in patients with mitochondrial mutations</p>
82	<p><b>Name:</b> Michelle Fullard  <b>Organisation:</b> North East and North Cumbria ICB  <b>Email:</b> michelle.fullard1@nhs.net</p> <p><b>Project Title</b>  Optimisation of lipid lowering therapies in the secondary prevention of cardiovascular disease</p>
83	<p><b>Name:</b> Zinath Alkobir  <b>Organisation:</b> North East and North Cumbria Integrated Care Board  <b>Email:</b> zinath.alkobir@nhs.net</p> <p><b>Project Title</b>  Anticholinergic Burden Re-audit in County Durham 23/24</p>

Poster No	
84	<p><b>Name:</b>Rebecca Paylor  <b>Organisation:</b> North of England Commissioning Support  <b>Email:</b> rebecca.paylor2@nhs.net</p> <p><b>Project Title</b>  Tackling the Climate Emergency Through Medicines Optimisation Projects in County Durham</p>
85	<p><b>Name:</b> Chris McCauley  <b>Organisation:</b> Outer West Newcastle Primary Care Network  <b>Email:</b> christopher.mccauley@nhs.net</p> <p><b>Project Title</b>  Pharmacist-led Clinics to Reduce Cardiovascular Disease Risk in Outer West Newcastle Primary Care Network</p>
86	<p><b>Name:</b> Helen Nettleton  <b>Organisation:</b> Regional Drug and Therapeutics Centre, Newcastle Upon Tyne Hospitals Foundation Trust  <b>Email:</b> h.nettleton@nhs.net</p> <p><b>Project Title</b>  THE CHALLENGES OF COMBINING PRIMARY AND SECONDARY CARE DRUG UTILISATION DATA</p>
87	<p><b>Name:</b> Helen Nettleton  <b>Organisation:</b> Regional Drug and Therapeutics Centre, Newcastle Upon Tyne Hospitals Foundation Trust  <b>Email:</b> h.nettleton@nhs.net</p> <p><b>Project Title</b>  CHANGES IN VOLUME OF PRESCRIBING AND HOSPITAL ADMISSIONS, IN GP PRACTICES WITH HIGH UPTAKE OF ELECTRONIC REPEAT DISPENSING</p>
88	<p><b>Name:</b> Leah Burton  <b>Organisation:</b> Royal Pharmaceutical Society  <b>Email:</b> leah.burton@rpharms.com</p> <p><b>Project Title</b>  What Research Support Services do Pharmacists seek?</p>
89	<p><b>Name:</b> Lauren Ross  <b>Organisation:</b> Royal Pharmaceutical Society  <b>Email:</b> lauren.ross@rpharms.com</p> <p><b>Project Title</b>  Application &amp; mobilisation of science by UK pharmacy professionals during the COVID-19 pandemic – a collective case study</p>

Poster No	
90	<p><b>Name:</b> Dylan Davidson  <b>Organisation:</b> School of Pharmacy, Faculty of Medical Sciences, Newcastle University  <b>Email:</b> dylandavidson0702@gmail.com</p> <p><b>Project Title</b>  Anatomically Correct! A qualitative evaluation of an integrated cadaveric-clinical skills workshop series designed for future pharmacist prescribers</p>
91	<p><b>Name:</b> Nehal Hassan  <b>Organisation:</b> School of Pharmacy, Newcastle University  <b>Email:</b> nehal.hassan@newcastle.ac.uk</p> <p><b>Project Title</b>  The association between exposure to air pollution and hospitalisation among multimorbid patients: A systematic Review</p>
92	<p><b>Name:</b> Nehal Hassan  <b>Organisation:</b> School of Pharmacy, Newcastle University  <b>Email:</b> nehal.hassan@newcastle.ac.uk</p> <p><b>Project Title</b>  The risk of harms with cancer screening programmes in multimorbid patients: A Systematic Review</p>
93	<p><b>Name:</b> Nehal Hassan  <b>Organisation:</b> School of Pharmacy, Newcastle University  <b>Email:</b> nehal.hassan@newcastle.ac.uk</p> <p><b>Project Title</b>  Use of Medication to Modify the Impact of Poor Air Quality on Human Health: A Systematic Review</p>
94	<p><b>Name:</b> Wai Ming Wong  <b>Organisation:</b> SGPA  <b>Email:</b> tonywaiming.wong@nhs.net</p> <p><b>Project Title</b>  Prevention of Glucocorticoid induced Osteoporosis in Polymyalgia Rheumatica Menopausal Patients</p>
95	<p><b>Name:</b> Jennifer Milburn, Emily Azam  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> jennifer.milburn@nhs.net</p> <p><b>Project Title</b>  A pilot to determine the impact of completion of remote clinical assessments by a pharmacist across a large medical division within an acute hospital</p>

Poster No	
96	<p><b>Name:</b> Jessica Jones  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> jessi.jones@nhs.net</p> <p><b>Project Title</b>  A Study to Determine the Infant Feeding Choices of Parents on the Neonatal Unit and How Their Feeding Journey May be Improved via the Use of Domperidone at an Acute Hospital Trust</p>
97	<p><b>Name:</b> Megan Cain  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> megan.cain@nhs.net</p> <p><b>Project Title</b>  Outcomes of the first 12 months of an outpatient penicillin allergy de-labelling service</p>
98	<p><b>Name:</b> Adele Gill  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> adele.gill@nhs.net</p> <p><b>Project Title</b>  Technician-led clinical verification of prescriptions for homecare patients in an acute hospital setting</p>
99	<p><b>Name:</b> Hannah Smith  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> hannah.smith170@nhs.net</p> <p><b>Project Title</b>  Does the implementation of the Virtual Ward Prescribing Pharmacist and Pharmacy Technician improve patient safety, compliance and reduce prescribing errors?</p>
100	<p><b>Name:</b> Amy Whitehead  <b>Organisation:</b> South Tees Hospitals NHS Foundation Trust  <b>Email:</b> amy.whitehead13@nhs.net</p> <p><b>Project Title</b>  Service evaluation of the implementation of a ward based pharmacy assistant (WATO) on a Respiratory Ward at an Acute Hospital trust.</p>
101	<p><b>Name:</b> Claire Skaiffe  <b>Organisation:</b> South Tyneside and Sunderland NHS Foundation Trust  <b>Email:</b> c.skaife@nhs.net</p> <p><b>Project Title</b>  Improving the quality and availability of medication-related information at hospital discharge.</p>

Poster No	
102	<p><b>Name:</b> Nwasom Bianze  <b>Organisation:</b> South Tyneside Health Collaboration  <b>Email:</b> nwasom.bianze@nhs.net</p>

	<p><b>Project Title</b> CHOL001 cholesterol indicator</p>
103	<p><b>Name:</b> Charity Murefu <b>Organisation:</b> Sunderland GP Alliance <b>Email:</b> charity.murefu@nhs.net</p> <p><b>Project Title</b> Promoting recommended contraceptive measures during use of teratogenic or potentially teratogenic medicines in females of childbearing age</p>
104	<p><b>Name:</b> Erin Stutt <b>Organisation:</b> Sunderland GP Alliance <b>Email:</b> erin.stutt@nhs.net</p> <p><b>Project Title</b> Improving management of Urinary Tract Infections within the Care Home setting</p>
105	<p><b>Name:</b> Ashleigh Diamond <b>Organisation:</b> Sunderland GP Alliance <b>Email:</b> ashleigh.diamond@nhs.net</p> <p><b>Project Title</b> A Quality Improvement Initiative to improve the safety surrounding Venous Thromboembolism (VTE) risk in the prescribing of Hormone Replacement Therapy (HRT).</p>
106	<p><b>Name:</b> Charity Murefu <b>Organisation:</b> Sunderland GP Alliance <b>Email:</b> charity.murefu@nhs.net</p> <p><b>Project Title</b> Shared care monitoring assurance service</p>
107	<p><b>Name:</b> Maria Nasim <b>Organisation:</b> UK Health Security Agency (UKHSA) <b>Email:</b> maria.nasim@UKHSA.gov.uk</p> <p><b>Project Title</b> Applying knowledge mobilisation framework to disseminate updated antimicrobial stewardship tools across England?</p>
108	<p><b>Name:</b> Stephen Morris <b>Organisation:</b> University of Leeds <b>Email:</b> hc17s2jm@leeds.ac.uk</p> <p><b>Project Title</b> The resilience of parents and carers who administer prescribed medicines to children at home: a qualitative systematic review</p>
